

Chloe is the 14 year old daughter of Adrian and Amy Walton of Carlinville. Chloe just graduated the 8th grade at Carlinville Middle School where she was co-class president. She is the second oldest of five children and loves having a big family.

Some of the best memories Chloe has of her reign as the first Junior Miss Macoupin County include being able to participate in parades in her home town. Both the Rotary Halloween Parade and the Lion's Parade are held in Carlinville. Hanging out with the Little Miss, Ferris Howard and Little Mister, Hayden Bellm was also a lot of fun. In fact, Ferris is also Chloe's neighbor!!

Chloe would like to thank Macoupin County Fair Queen, Ashley Bonacorsi for being so helpful and supportive all year long. Ashley is truly someone to look up to and we wish her the best of luck with her future plans.

This summer Chloe was able to attend many local fairs and pageants and would like to thank everyone for being friendly and welcoming.

Now that it is time to hand over her crown to the next Junior Miss, Chloe would like to wish all the contestants good luck and to remember that "Anyone can be a queen!!!!"
